The Mirror 2018

Board games are a great way for people to spend time together and experience wins, losses, and a whole lot of fun. They can bring people together creating new relationships and strengthening old ones. Board games are a way to temporarily remove people from the highly digitalized world we live in, creating a great space for people to experience each other's company. They make you set goals and utilize strategies while permitting a space for creativity. Board games can be representative of the North Shore experience. A school year at North Shore has many different steps along the way, like the game Candy Land. Occasionally, you may face adversity and go backwards, though most of the time you are moving forward onto the next step. Sometimes you have to take a chance, like in the game Monopoly, where other times you have to continue down your path, just like the Game of Life. We hope you enjoy the many memories our board game book brings.

Board Games

2018 Dedication: Dorothy Biel

In keeping with our Board Game theme, Dorothy Biel has been a key player at North Shore for 16 years. Ms. Biel was born and raised in Brodla, Poland, with her sister and two brothers. She earned a degree in economics, work, pay, and social service in Krakow, Poland, and worked in office administration and human resources for a bakery company, as well as managed a school apprenticeship program.

In 1986, Ms. Biel moved to the United States and stayed with her uncle before starting a job at Millard Cleaning Company, which worked for North Shore.

In 2002, the year after her introduction to NSCDS, the school noticed her hard work, dedication, and many contributions to our community and she was hired to join the North Shore staff. In 2006, Ms. Biel became a citizen of the United States, and was gifted a pair of American jeans from her good friend at North Shore, Mrs. Cullen, to celebrate. She has a strong presence in our community that has positively affected many students and faculty members through the years.

Ms. Biel interacts with the Lower Schoolers every morning as she greets them and helps them get from the car line to the school. She does so much work in order to keep the school running smoothly and is never acknowledged to the degree that she deserves. We are so thankful for all that she does, and we are honored to dedicate this yearbook to Dorothy Biel.

M O P E N I N G X

Opening Morning Ex was the first time the whole school came together in the 2017-2018 school year. Everyone listened to a story read by Dr. Flemma, acknowledged our ASSIST student, and recognized our lifers for their contributions to North Shore. Lifers rang the school bell to signify the beginning of the new year.

This year's exchange student was Hannah Gunnarsson, who came from Stockholm, Sweden. In the fall, she tried something new and played field hockey, and turned out to be a natural. Then, in the winter and the spring, she ran track and field. During her time in the States, she was a great student, athlete and, most of all, an amazing friend. We are so lucky to have gotten to know you, and we will greatly miss you!

LIFERS

For the past fourteen years, Nina, Thomas and Haniya have led North Shore on the field, in the classroom, and through clubs. Not only do they exemplify the values of North Shore, but these three students have also enriched our community. They have left an imprint on this school that will not be forgotten. Lifers, you will be missed!

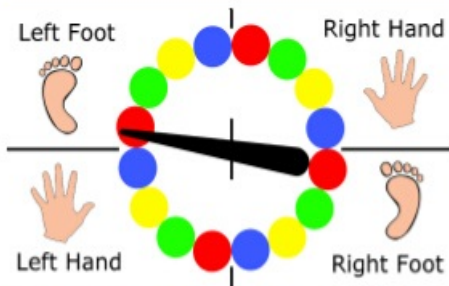

HOME COMING

Homecoming 2017 was an amazing weekend for all who attended. Students, faculty, parents and alumni enjoyed beautiful weather, dining from food trucks, seeing our Raiders compete in athletics and more!

HALL O W E E N

Once again, the all-school Halloween Parade tradition was a highlight of the year, complete with so many great and creative costumes.

WALKOUT

On March 14th, 2018, one month after the shooting at Marjory Stoneman Douglas High School, a few Middle and Upper School students organized a walkout on National School Walkout Day to protest Congress's inaction to fight gun violence in schools. At 10:00 am, Middle and Upper School students exited the school and walked to Green Bay Road, where they lined the sidewalks with signs for 17 minutes to honor the 17 victims of the shooting. By staging the walk out, students made their voices heard and showed solidarity with thousands of student protesters all over the nation and around the world.

The Flag Football team this year was really fun. Together as a team one of our strengths was our offense, and it was pretty easy for our team to score. Our weakness was our defense and we had trouble stopping team score. A shout out to coach Barfield because he was a great coach and a great mentor!

The team was enthusiastically coached by Brian Sarfo, Tim Callahan and Cy Oelerich. All of the players improved tremendously as the season progressed and everyone involved had a great season.

Front Row: Haniya Ghazi, Mia Askew. Back Row: Coach Giffen, Anita Rao, Ella Ristic, Caroline Gray

This was the first girls golf team in North Shore history. The season was great and the girls searching for a team finally got the opportunity to show off their skills. The team had many firsts. They played well, and hope to expand the team in the future. It was so exciting to finally get a girls team together for the first time. We finished the season 2-3 and two of us made it to sectionals! It was a great season and we can't wait to see the girls golf program grow in the future!

CROSS COUNTRY

Front Row: Carlo Castellanos, Phoebe Casey, Caroline Hagerty, Anna Brennan, Claire Umpleby, Olivia Theodosakis, Charlie Villanueva. Back Row: Coach Moreau, Phillip Hoffman, Sam Roszak, Ben Berghammer, Ian George, Brinton Roberts, Packy Murdock, Coach Blickensderfer

There were a lot of new faces introduced to the Cross Country Team this season. A large number of freshmen came out to run and the new Head Coach Mike Moreau took on the job to whip the young team into shape. For the first time in school history, North Shore had a freshman, Caroline Hagerty, receive All Conference. Upper-class members Anna Brennan and Ben Berghammer prevailed to the Sectional meet to finish off a strong season. - Alliyah Rumbolt-Lemond

DANCE

Charlotte Leonetti, Rachel Block, Jada Adamson-Tate, Olivia Whitmore

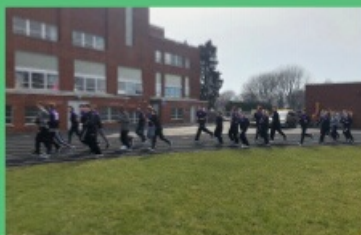

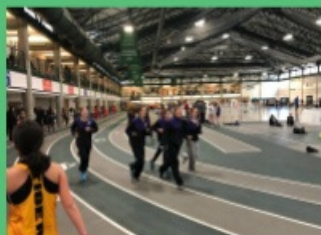

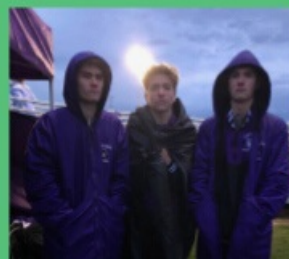

This year was the beginning of the dance team program. The dance team performed a piece at the homecoming rally and two pieces at a Morning Ex in October. We met three times a week for the first few months of school where we practiced contemporary, jazz, and fusion styles of dance. The dance team was a very supportive and positive environment and we have hope for the future of the program.

Our varsity team had a strong showing against the ISL with our number 1 player, Evan Fedin, winning almost every match. The JV team began the year with mostly inexperienced players, but everyone improved over the course of the year, and we saw much better results as the season progressed. **Oh, the journeys you'll take, the things
you will find,
Not just with your body, but with your
heart and your mind.
From the professors you'll learn from,
converse with, admire,
To the classes that excite you, encourage,
and inspire.
From the friends you will make and your
whole life will keep,
To your memories with them that will
always run deep.
Now go off and explore and go find your
voice,
And, yes, there'll be crossroads where you
have a choice.
But with your sense of conviction and of
what's right and what's wrong,
You'll be so courageous, inventive, and
strong.
No doubt you'll amaze, just wait and see,
Because we raised you to become the best
you can be.
So have an adventure, create a sensation,
We know you'll be great because we laid
the foundation.
Just remember to FaceTime us every once

When choosing candidates to serve as editors of *The Mirror*, we look for individuals who are self motivated, dedicated to getting the job done and have the organizational skills to make it happen. When they find a free moment, the best editors are always looking for something else that needs to be done and they know the details necessary to keep the book cohesive. This year, we were lucky to find six very special students to serve as Senior Editors: Alliyah Rumbolt-Lemond, Samantha Stoll, Gabby Greer, Sarah Niemann, Thandi Steele, and Sophie Hiland. This book is a testament to their vision, hard work, and leadership. Thanks for everything you did to make the 2017-18 edition of *The Mirror* one of the best ever!
